Momentum Internship Program

MIP Experience Journey

24 Weeks of Growth, Practice & Career Readiness

Purpose

- Introduce the structure of the 24-week MIP Internship Program
- Show how interns grow through 6 distinct program phases, completing 5 professional projects, and engaging in over 8 reflection check-ins and 5+ coaching sessions
- Highlight weekly goals and how each module builds toward career readiness

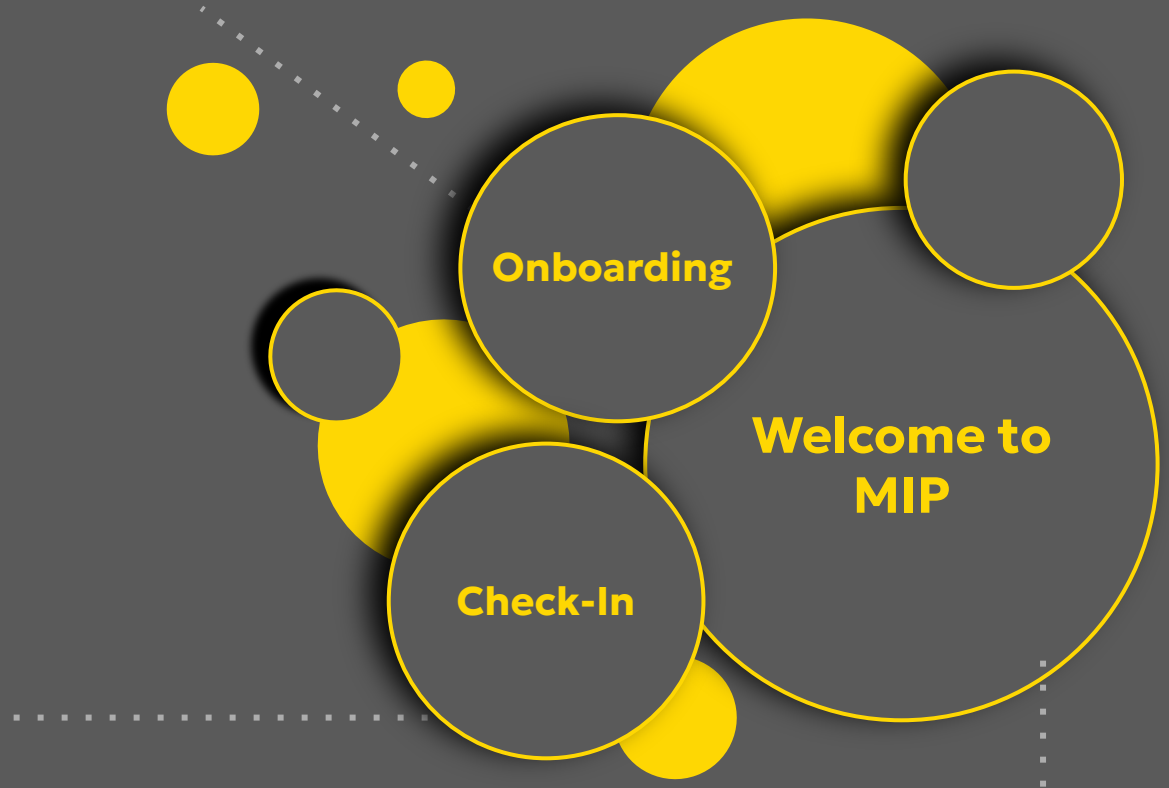

Phase	Weeks	Focus Area	Key Activities
Onboarding	1–3	Orientation & Foundations	Tool setup, intro modules, team building, warm-up tasks
Warm-Up Projects	4–6	Skill Application & Feedback	Mini projects, planning tools, peer collaboration
Team Project 1 & 2	7–13	Project-Based Learning	Full group project, real-time iteration, ClickUp delivery
Portfolio Project	14–17	Individual Ownership & Storytelling	Design and deliver your own signature case study
Contract Client	18–21	Real-World Readiness	Solve for a live or simulated client brief, team execution
Offboarding	22–24	Reflection & Career Launch	Personal retrospective, final feedback, alumni transition
